

ExxonMobil LOFT Fellowship

ExxonMobil Corporation, the largest publicly traded international energy company, has partnered with the Hispanic Heritage Foundation (HHF) to create fellowship opportunities in the STEM fields (Science, Technology, Engineering, and Math) for **Hispanic college students**. Through HHF's Latinos On Fast Track (LOFT) program, ExxonMobil seeks to nurture motivated college students across the country, with a passion for Engineering and Science.

Selected students will be exposed to a top-quality company by participating in this signature mentoring program. Each student will be paired up with an ExxonMobil engineer or scientist to learn how their knowledge and skills are applied in a corporate setting.

Fellowship Components

- The Fellowship consists of five 1-hour meetings with a mentor (virtual or in person)
- Exclusive curriculum to introduce Fellows to ExxonMobil and career opportunities
- **\$1,000** educational grant
- In addition, the potential opportunity to interview for ExxonMobil positions (internships/full-time) upon successful completion of the Fellowship.
