Co-op Advisor Signature _____ Date: _____

Student's Signature _____ Date: _____

Any changes in scheduling must be approved by faculty advisors. The co-op office will not be responsible for students who deviate from their schedules without departmental approval. Co-op is 3 alternating work sessions (2 sessions for CS and A&S students) unless otherwise approved by the co-op office. Your department may have sample schedules available on paper or on their website, so please check.
